This Plastics recycling plant is owned by Joe Patterson of Dickinson, the plant is on Highway #1764, 13400 block in Sante Fe in Galveston County.

Possible PCBs are stored there, they store their wastes on top of the ground, it has flooded several times, and the runoff goes into the ditch and into the bayou and Balveston Bay...they never cover their big pond of wastes. These wastes come from plastics recycling and are dangerous.

J Signature and Title:

The person or authorized representative (such as plant managers, superintendents, trustees or attorneys) of persons required to notify must sign the form and provide a mailing address (if different than address in item A). For other persons providing notification, the signature is optional. Check the boxes which best describe the relationship to the site of the person required to notify. If you are not required to notify, check "Other".
